WORD PATTERN GAME

Name: Categories

Idea: To use for reinforcing lessons on pattern words, vowels, or consonants.

Materials: For a permanent game, use oaktag, any size desired. Cover with clear contact paper.

Procedures: The children or teacher may think up as many categories as desired, using the word patterns, vowels and consonants. The student must think of a category that begins or ends with that particular word pattern. They will receive five points for each correct square and fifteen points for each different word.
